Raise the Bar-N Foundation Waiver

(Please Initial All Below)

I understand and agree that the animal I am adopting is a rescue animal and that animal may respond to situations unpredictably. I understand and agree that the Raise the Bar-n Foundation makes no representations or warranties, express or implied, about the animal's health, behavior, or temperament.

_____ ***(Initials)***

If I am unable or unwilling to keep the animal at a later date, I agree to contact the Raise the Bar-n Foundation and provide them First Right to Refusal to reclaim the animal at no charge to the Raise the Bar-n Foundation, should the Raise the Bar-n Foundation agree to take the animal back. I agree that I will not relinquish the animal to another person/group without first contacting the Raise the Bar-n Foundation to let them know that the animal will be rehomed. This allows the Raise the Bar-n Foundation to maintain appropriate records of their animals. To ensure that the Raise the Bar-n Foundation has adequate time to notify its board members about the potential return, the Raise the Bar-n Foundation requires a minimum of 5 calendar days from the date of the written notice to respond to the request. _____ ***(Initials)***

I agree to fully and completely release the Raise the Bar-n Foundation, its officers, directors, volunteers, agents, and representatives from any liability of any kind arising from the health or temperament issues the animal may exhibit or may develop and/or from any claims relating to my ownership, foster care, or possession of the animal. _____ ***(Initials)***

I agree to indemnify and hold harmless the Raise the Bar-n Foundation, its officers, directors, volunteers, agents and representatives from any and all losses, fines, claims, or damages, including attorneys' fees arising out of or relating to my ownership, foster care, or possession of the animal, including any claims of injury or damage to persons or property caused by the animal/s. _____ ***(Initials)***

I understand that I am adopting a rescue animal and this animal may not have been examined by a veterinarian. I am accepting this animal as-is without knowing all previous medical history. I understand that the Raise the Bar-n Foundation is not a medical/veterinary organization but rather, a nonprofit organization consisting of Good Samaritan volunteers who donate their time to find neglected/unwanted animals safe and loving homes. I am also taking full responsibility to have the animal examined with any recommended vaccinations, (including Rabies), spay/neutering, and microchipping. _____ ***(Initials)***
